

**March 24, 2020**

**2020-21 Mining Incentive Program Update**

- For prospectors and companies who are funded under the 2019-2020 program, the Program Administrator will be in touch regarding current status of funded projects, contribution agreement deadlines, and to discuss final reporting.
- For the 2020-2021 Mining Incentive Program, the application deadline has been extended to May 29, 2020. Assessment of further extensions will be considered if required.
- Until further notice, client visits to the Northwest Territories Geological Survey office will only be accommodated based on need and by pre-arranged appointment. Call 867-767-9211 ext. 63202.
